Foundation Obedience / Pet Manners – 2010 Modules

To this class, we welcome dogs from between 17 weeks to 17 years old! They are filled on a first-come, first-served basis and limited to no more than 8 students per class, so that personal attention may be given to each dog-handler team.

Our Training Hall is located at **3625 Kingburne Drive, Cobble Hill.**

GENERAL INFORMATION & CONDITIONS

CLEANLINESS: Please Scoop the Poop both inside and outside, anywhere on the property where the training building is located.

EQUIPMENT: Electric shock collars, choke chains, prong collars and any other corrective implements are not conducive to modern dog training and are **EXPRESSLY PROHIBITED** from our classes. Likewise, please do not use leash corrections or scold or punish your dog in public; it frightens the clicker trained dogs and offends their owners and trainers.

FAMILY: Family members, including children over the age of 6, are welcome to attend class with you, but they **MUST** be able to sit quietly for the long hour of your lesson. You must be able to concentrate on working with your dog and not have to worry about your child. Unfortunately, there is nobody available to help mind your child for you. Please also remember that the child may be at risk from other dogs that may not be child friendly, and your child **MUST** understand to **UNDER NO CIRCUMSTANCES** approach any of the other dogs.

FOUNDATION STUDENT PASS: Your Foundation Student Pass is valid for 13 weeks with effect from your first class. It will be issued to you at the first class that you attend, which is the **ORIENTATION** class. The Foundation Student Pass entitles you to attend any of the classes in the Foundations / Pet Manners modular schedule for a period of 13 weeks.

HEALTH STATUS: If your dog should happen to pick up fleas or lice, or any other parasite or communicable disease, during the period of your Student Pass, you cannot come to class. Your student pass will be held in abeyance from the date that you report your dog's illness/infection until your dog has recovered. The same applies for female dogs in season. When you and your dog are ready to come back to class, you need to supply a letter from your veterinarian that confirms that your dog has recovered, at which time your Student Pass will be reinstated with no loss of time.

ON TIME: Please arrive early for class, at least 10 minutes before scheduled class time. This will allow your dog to go to the bathroom, a good sniff-around the area outside the class room, relax and settle down after the trip, before the class starts. Please keep your dog on leash at all times outside the training hall.

PAYMENT: Payment is due prior to the start of training. No refunds will be given after class has commenced, but your student pass may be held in abeyance for health reasons – see above.

REMOVAL FROM CLASS: The trainer may, at her sole discretion, remove a person and his/her pet from class if either of them is considered to be a threat of any nature to themselves or any person or animal present. No refund will be given under such circumstances.

SCHEDULE OF CLASSES: The class schedule is also available on our website. Please use it to plan your class attendance. The average student should expect to attend each module twice. The modules are planned so that if you decide to come to class once a week at the same time every week, you will have attended each module twice after 13 weeks, with one week "off" (while there is a new Orientation class scheduled) and including one "Open House" lesson. The Open House lesson does not have a set plan, but is open for students who wish to problemsolve or work on specific skills or behaviours. On the other hand, if you wish to do an "intensive course" and attend several classes each week so that you can finish earlier, you can do so, too. Or, just come to class when it suits your own schedule.

You are welcome to class at any time during the validity of your Student Pass, but it will be helpful for our planning of classes if you could indicate the days/times that you are most likely to want to train on the attached Schedule of Classes, please.

SKILLS CHART: We will track yours and your dog's progress on a personal Skills Chart, which will help you decide which classes and skills to concentrate on.

VACCINATION STATUS: Cowichan Canine requires the following vaccination status documentation for your dog:

- a vaccination certificate for each of parvo and distemper, no older than three years, **OR**
- a laboratory report showing an antibody titer response for each of parvo and distemper, no older than one year.

COMPULSORY FIRST CLASS: Your first class is Orientation. This class is for PEOPLE ONLY. Please do NOT bring any dogs to this class. Instead, you can bring a pen and notepad (and perhaps your reading glasses?), and, if you haven't submitted a copy already, your dog's vaccination status record. The Orientation class lasts for two hours, with a break halfway through. Coffee, tea, soft drinks and snacks will be available.

Puppy Drop-In: The Foundation Obedience / Pet Manners class is only available from 17 weeks of age and upwards. However, if you register your puppy for the Foundations class before 17 weeks of age, you may attend the Puppy Drop-In at NO EXTRA CHARGE until your puppy comes of age.
